Network Day

Wednesday 2 October 2013
Stirling Management Centre

Information

Why? The Hub is a network of people who are committed to improving bereavement care. Sharing ideas and resources on a website is important—but so also is a chance to meet others working in similar areas of care to discuss ideas and to learn from each other. The **Network Day** will offer us all a unique opportunity to hear from colleagues about what works, what is planned and what is dreamed of.

Who? This **Network Day** is open to all members of the Hub, and to those who support what the Hub is doing.

Nurses	Doctors
Chaplains	Managers
Social workers	Home Managers
AHP staff	Mortuary staff
Voluntary Sector	YOU!

It is also important that those leading on the recommendations in Shaping Bereavement Care attend this **Network Day**

Executive Leads	Co-ordinators
Education leads	HR managers
Palliative care leads	Public Involvement

How much? The cost of the day is only £25.00
